The Muzrai Commissioner in Mysore.

To

P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

In continuation of this office Memo C.No.1226/24-25 dated 28th May 1928, I have the honor to forward herewith copy of letter No.A2-C.1463/27-28 dated 28th June 1928 from the Deputy Commissioner, Kolar District, submitting proposals for fixing a scale of income and expenditure in the Sri Avani Mutha.

2. At a meeting held on 10th June 1928, the Committee proposed a scale of expenditure costing Rs. ~~3550/-~~ 3590 a year and stated that it was not possible to lower the scale. A copy of the proceedings was sent to the Deputy Commissioner and he was requested to furnish his opinion in the matter. (vide original enclosed.)

3. The Deputy Commissioner has, after scrutiny, reduced the total expenditure to Rs.3000/- by making slight reductions in some of the nityakatle and hatchukatle expenses in order that the total expenditure may not exceed the annual income which is about Rs.3000/- net. As contribution to the Muzrai Establishment Fund is unavoidable, the Deputy Commissioner suggests that further reductions as may be deemed fit may be effected so as to leave a margin sufficient to meet the charge on account of contribution, the aggregate amount of the scale not going higher than Rs.3000/-.

4. A comparative statement showing the scale proposed by the committee, modified by the Deputy Commissioner and further reduced

reduced by me is enclosed for convenience of referer as finally revised by me provides for a lesser expendit Rs.156/- a year than the one proposed by the Deputy Commissioner, out of which a sum of Rs.150-0-0 may be appropriated towards contribution to the Fund calculated at 5% of the net income. Even this does not leave any surplus for unforeseen expenses but it can not be helped in the present financial position of the matha-and the -- various requirements of the Swamigalu - I beg therefore to recommend that the scale as proposed by me may be kindly sanctioned with --- effect from 1st [illegible] 1926 on which date the Swamigalu arrived in Bangalore.

4. As the Swamigalu is now in residence in Bangalore permanently, I request that the Comptroller to Government may be requested to admit in audit orders [illegible] drawn up by the Convenor of the committee ---- according to the sanctioned scale and countersigned by me. As ----- consolidated accounts pertaining to the Matha are now maintained in the [illegible] Taluk where the head-quarters of the institution is -- situated, sufficient money to cover the expenditure for 12 months less [illegible] of the arrears [illegible] the Kavaigar at [illegible] will be got by means of [illegible] transfer [illegible] to the State Huzur Treasury, Bangalore, payments made on bills passed by the Comptroller to Government, a ---- [illegible] in this office for the purpose. [illegible] not only simplify matters but will ensure expeditious payment [illegible] every month. As the services of a full-time -- [illegible] Rs.10/- per mensem are proposed to be engaged, no ----- [illegible] correct accounts and - submitting a [illegible] thereof every month.

"Proposing a scale of income and expenditure to the Sri Avani Matha, Mulbagal Taluk.

"I have the honor to forward herewith the scale proposed by Mr. V.P.Srikantiah, the Convener of the Matt and to state as follows.

2. The Matt has an annual net income of about Rs.3000/-. Against this income and expenditure of Rs.3590/- per year has been proposed by the Convener for Nityakatle and Hetchukatle expenses of the Matt. The Convener was informed of the financial condition of the Matt and was requested to propose a scale not exceeding Rs.2500/- per annum. But he has replied to say that it is not possible to effect further reductions in the scale of Rs.3590/- proposed by him. In view of the existing finances of the Matt, slight reductions in some of the items of Nityakatle and Hetchukatle expenses are proposed in the margin -- reducing the total expenditure to --- Rs.3000/- without any reserve for -- the payment of contribution to the Muzrai Establishment fund &c.,

SIR,

Referring to G.O. No. 261-2/M.F.14-28-2 dated 2nd August 1928 fixing a revised scale of income and expenditure for the Sri Avani Matha, I have the honor to state that after proposals for fixing a scale were submitted to you in this office letter of the 9th July 1928, the Convenor of the Committee stated provision for a cook was not made by an oversight and requested that the appointment of a cook on Rs.15/- a month may be included in the scale. While communicating the orders of Government dated 2-8-28, it was pointed out to the Convenor that it was not possible to make any additional provision, as desired by the Committee, as there was no recurring surplus left at the credit of the Institution annually, that the work has therefore to be attended to by either of the two Brahmin servants borne on the establishment and that if this was considered not practicable, proposals for a readjustment of the sanctioned items of expenditure may be sent, if necessary.

2. The Convenor now states that the appointment of a cook is very essential as the two other Brahmin servants are required for other work and that the present cook who was engaged at the time of Installation on Rs.15/- has expressed his unwillingness to continue on the same pay and recommends that the scale may be modified as hereunder to provide a pay of Rs.18/- to the cook.

Item.	Sanctioned amount.	Proposed amount.	Savings.

Total	78-0-0	60-0-0	18-0-0

3. As the services of a whole-time cook are not necessary and as the modified proposals made by the Committee do not involve in any additional expenditure, I beg to solicit sanction of Government to the above modifications.

4. The favour of early orders is solicited.

I have the honor to be,
